SUMMARY

Fourth-year design student at NIFT Kannur specialising in UI/UX, working across publication, identity and graphic design. Leads with research: running interviews, surveys, and usability testing to turn ambiguous problems into clear design direction. Background spans hands-on experimentation with new ideas, copywriting, and front-end code, giving a practical edge in shaping both the words and the build behind a design. Delivers clean, precise research-backed design decisions that hold up when handed off to development or production teams.

WORK EXPERIENCE

UI/UX Design Intern | June 2026 - July 2026

Tukxi India Private Limited, Kochi

- Conducted research and competitor analysis across 10+ competitor platforms for Paid.MD and PracticeSuite, surfacing gaps that directly shaped the new landing page strategy
- Restructured information architecture and content hierarchy for product landing pages.
- Built and iterated mid-fidelity wireframes across rounds of feedback, handed off to the UI team for development.
- Contributed to developing messaging strategies and design briefs for UI designers
- Presented concepts and collaborated with the UI team through design handoff

UX Research Intern | June 2025 - July 2025

ClusterDev Technologies Private Limited, Kochi

- Led end-to-end UX research for a Manglish transliteration keyboard platform, targeting behavioural patterns of 18-25 year aged users to close the gap between product and audience
- Designed and deployed surveys reaching 80 respondents, plus 4 user interviews and 6 usability tests, to pinpoint where users disengaged from the product
- Surfaced 4 key friction points from conducted research

EDUCATION

National Institute of Fashion Technology | 2023-2027

- Bachelor of Design in Fashion Communication

Naipunnya Public School | 2015-2022

- High School Diploma

PROJECTS

Branding – NIFT Kannur Graduation Showcase 2026 | Visual Identity Design

- Developed a Morse code-inspired visual identity for graduating students, translating dots and dashes into a distinct visual language and applying it across 12 event collateral types. Collaborated with 6 teammates to develop the concept into a cohesive, scalable multi-touchpoint brand system.

Punk Decoded – A Fashion Glossary | Research & Publication

- Researched and authored a glossary tracing the history and cultural roots of punk fashion, translating extensive research into a clear, accessible publication through structured editorial and information design.

Paravur Handloom Weavers Cooperative Society Documentation | Field Study & Publication Design

- Conducted an immersive field study at a craft cluster, translating interviews, photography, and observation into a coffee table book that combines narrative, imagery, and illustration to document both weaving practices and their socio-cultural context.

EXTRACURRICULARS

Fashion Team Co-Head | January 2025 – March 2026

Fashion Communication, NIFT Kannur

- Led multiple cross-functional teams through concept development to final runway presentation for an interdepartmental competition
- Owned delegation across styling, garment construction, and backstage logistics, keeping moving parts on schedule under competition deadlines
- Directed design and material decisions for an original garment from concept through final fitting and rehearsal
